Next Steps

- Now: Begin educating community about the project
- Identify key events / opportunities to distribute project information
- April 2019 – OFCC Cost update. We can finalize project costs.
- Committee to make formal master plan recommendation to the board
- OFCC to develop ELPP Master Plan Package for July meeting approval
- Board approval and required resolutions
- File with Lake County Board of Elections first week of August
- Launch Bond Campaign for November Election

Community Engagement – Best Practices

- Imperative we all have the same message – word of mouth is time-tested and never goes out of style!
- Provide intentional opportunities for learning about the project- Identify school and community events that will give us an opportunity to provide information about the project
- Genuinely listen to the issues and concerns of the person(s) you are speaking with. Explain the relevance and benefits of our initiative.
- When questions arise that you cannot answer, get the person(s) contact information and we will follow up with them with the correct answer. Do not guess.

Group Exercise – Establish Key Talking Points
