Wickliffe School Counseling Department

# SCOIR

## Introducing SCOIR

Wickliffe High School is pleased to announce that we have implemented a new college guidance management system called Scoir (pronounced "score"). This new, modern online system will streamline the process of requesting, processing, sending and tracking the electronic delivery of all application-related documents. More importantly, it's much more helpful for students and parents during the college search and selection process. On Scoir, colleges come to life through pictures, videos and links that highlight active student clubs and organizations. This better enables students to identify colleges that are a good fit with their personal and academic interests, which increases college retention. Scoir also provides parents with useful financial calculators so you can determine the likely cost of attendance at different colleges and consider the affordability when deciding where to apply. These features, along with more convenient scheduling and communication tools, will help keep everyone informed and engaged throughout the college application process. Scoir exists to help more students achieve more positive outcomes, and we're excited that our students have access to this system and the opportunities it provides.

## Sign up for a session to get your Scoir account

Counselors will be conducting on-boarding workshops for all seniors during the school day on Friday 9/16 and 9/20. Seniors should sign up for a session when they do not have a class. Sign ups are located in the counselors Google Classroom. Seniors should not miss a class to attend.

## Senior Planning Night

Meet with our counselors and College Now Rep to gain understanding of the College application and financial aid process. This meeting is for students and families.

The poster features a yellow background with a dark blue circle in the top left containing a white square with a blue 'W' logo. The title 'Senior Planning Night' is in large blue font. A dark blue box in the center contains the date and time. Below this is the College Now logo and a paragraph of text. At the bottom, a dark blue box contains contact information.

Gain an understanding of the financial aid process and timeline, in addition to the various forms of financial aid available and how to access each of them. Millions of dollars in scholarships and financial aid are left on the table each year. It is essential to learn how to access applications, which forms are needed for completion, and how furthering your education can impact your life and your community.

## **Senior Class Meeting**

All students should plan on attending one of the senior class meetings on 9/20. Sessions are at 9:15 and 11:30 in the WHS library. We will make an announcements to call students down.

## **Scholarships on Google Classroom**

This year all scholarships that we are made aware of, will be posted in the counselors' Google Classrooms. Seniors - please make sure you are checking these regularly. Most local scholarships will become available starting in January.

Please make sure you join your counselor's Google Classroom  
(identical information will be posted on each)
