MEDIA RELEASE

The Wickliffe City School District may use photographs, video, and audio of students for school district public relations activities. This may include, but is not limited to: yearbooks, community presentations, the district website, concert/awards/recognition events and programs, audio recordings, and videos used in the school and/or community. In addition, media personnel may interview and photograph students for educational events or publications.

- I grant permission for my child to be interviewed and/or photographed for school and/or media purposes. My signature below authorizes the release of any such audio, video, and/or material for use in media presentations and or publications of products, printed or electronic, which may be distributed electronically or otherwise, for purposes of publicizing programs administered by the Wickliffe City Schools. I understand that my child's name, school, and grade level may be revealed in such presentations and/or products.

OR

- I do not grant permission for my child to be interviewed, photographed, or their name used by the school district for any purpose. I understand that my child's photograph and name will not appear in publications such as concert and awards programs, school videos, and the school yearbook.
