TO: 12th Grade Parents/Guardians
FROM: School Health Clinic
DATE: July 1, 2020

SUBJECT: Meningococcal Vaccine (MCV4)

Dear Parents/Guardians,

The Ohio Department of Health School Immunization Requirements have been revised to include two (2) doses of **Meningococcal (MCV4)** vaccine to be administered before a student enters the twelfth grade. If the first dose of MCV4 was administered on or after the 16th birthday a second dose is not required.

Therefore, your current 12th grader will need to show proof of having received the Meningococcal (MCV4) vaccine(s) before they can return to school in the fall.

You are receiving this letter now to provide you with ample time to have your child immunized before the coming school year begins. Please contact your physician or health department to schedule an appointment if your child has not yet received this immunization. **The state mandates that children who do not meet these requirements will not be permitted to attend school 14 days after the starts of school without proof of vaccination.** The parents of children who have not met these requirements and send their child to school will be called to take their child home.

Student Name: _____

Please provide date of vaccination: _____

Provider Stamp OR

MCV4: _____

Provider Name: _____

Other: _____

Provider Address: _____

Provider Phone #: _____

THIS FORM MUST BE FILED AT THE SCHOOL WITHIN 14 DAYS AFTER THE START OF SCHOOL OR THE STUDENT WILL FACE EXCLUSION FROM SCHOOL. THESE DAYS WILL BE CONSIDERED UNEXCUSED ABSENCES.
